20 minutes is far too long to wait for their order that was placed before entering the window, and then to find out that it was never sent inward. had to repeat my whole order (2) drink and sit and wait until several orders are sent out to other side who come after my order before my order was even made. 3 people are definitely not enough personal for such a business. we used to come here every day, but the staff began to change with the quality of the drinks. will be back to W.Salem, even if the music is too loud. Dutch Bros. Coffee from Salem is a **relaxed café**, where you can have a small snack or cake with a warm coffee or a sweet chocolate, Furthermore, the customers of the restaurant enjoy the comprehensive selection of the various *coffee and tea specialities* that the establishment has available. In the local, there is a wide variety of scrumptious and fresh juices served, But the main feature here are the hearty German dishes with accompanying sides like potatoes and salads.
