They were literally the only fast food restaurant still open at 16:00 during the freezing period from early February 2022. We had to wait a while, but the order was cooked to order, fresh from the grill. Exceptional large customer service friendly demeanor under austere conditions. read more. What User doesn't like about Burger King:

I frequent this Burger King less than I do most places in the area. My go to sandwich is the Original Chicken Sandwich, as I don't find the burgers to my liking. Seems my orders are tossed in a bag carelessly and not well wrapped. Employees are nice enough but not genuinely pleasant like other fast food I frequent often. read more.

If you're desiring some zesty South American cuisine, you've come to the right place: exquisite meals, roasted with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, For a snack in between, the fine sandwiches, healthy salads, and other snacks are suitable. Most often, the burgers of this establishment, which are among the highlights, are offered along with sides like french fries, leaf and cabbage salads or wedges, and you can enjoy here delicious American meals like *Burger or Barbecue*.
