I had the Mushroom Cheese Burger with French fries. My burger was delicious! The Pommes were good too. Always a pleasure when I get a chance to dine at Emil's Burger Breakfast! Great service [read more](#). What [User](#) doesn't like about Emil's Burger And Breakfast:

This place has gone downhill since Kovid. They are randomly closed during business hours, close early, and do not pick up their phone during business hours. Sad, because the food is good, the price is right, and the location near the barte is great, but we cannot be customers if you never open. [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: exquisite dishes, roasted with *fish, sea creatures, and meat*, but also corn, beans, and potatoes are on the menu, for breakfast they serve a **varied breakfast** here. Furthermore, you'll find tasty American dishes, like for instance burgers and grilled meat on the menu, Of course, you also have to try the **scrumptious burgers**, that come with sides like fries, salads, or wedges served.
