In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, Furthermore, the guests of the restaurant enjoy the comprehensive variety of the differing coffee and tea specialities that the restaurant has available. Sometimes you may not want to eat a lot, in this case one of the scrumptious sandwiches, a small salad or another snack is just right, You can also unwind at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
