Sahara is arguably the best restaurant of its kind around. The food is always amazing, portions are huge. Whether you opt for a delicious flatbread which is refined with a rich garlic infusion, or crispy falafel, the meals from the Middle East transport you for a moment to a distant land - as dessert a honey-like, crispy baklava, you can return satisfied to your daily life, Also, the *Greek treats* are also very popular with the customers of the restaurant.

There are also light **Mediterranean meals** on the menu.
