The restaurant from [White Settlement](#) offers 45 different **dishes and drinks on the card** at an average price of \$4.1. What [Daniel S](#) likes about Momma's Donuts:

I cant remember the last time I ordered something on doordash and had no problems. The food was at a reasonable temperature, i got everything I ordered, and they wrote thank you on the box with a smiley. Will definitely be ordering again [read more](#). What [Marissa P](#) doesn't like about Momma's Donuts:

I've ordered from Mamas donuts so many times and I always recommended them to people. unfortunately today, they charged me for items that I did not receive. I ordered three regular glazed and the chocolate glaze and only received the chocolate glaze. I also ordered a half dozen sausage rolls and only received one, and I requested them to be warmed and the one that was delivered was not warm. [read more](#). A visit to Momma's Donuts becomes even more rewarding due to the extensive selection of **coffee and tea specialties**, Above all, the flavorful [juices](#) enjoy great popularity among the customers.
