The place from Brighton offers **51** different **dishes and drinks** on [the menu](#) at an average \$6.9. What [Jennifer C](#) doesn't like about Poke Fresh:

Didnt receive the drink.. received the wrong protein and a very small amount of it even though I paid for 2 scoops.. paid for extra sauce, didnt get that. And the food tasted and smelled bad.. it got thrown away after the first bite. Ive had better from them so this was SUPER disappointing. [read more.](#)
