The restaurant from Seattle offers 91 different meals and drinks on [the menu](#) at an average \$16.9. What [Isabella S](#) likes about Thai Thani:

Absolutely delicious!! First time trying and would definitely go again. I got the yellow curry with tofu and spring rolls. It was enough for 2-3 meals and was even better the next day. [read more](#). What [Christina wilson](#) doesn't like about Thai Thani:

I strongly suggest going to a different restaurant. I ordered my favorite dish, fresh spring rolls. They served me lettuce with 2 inches of rice paper wrap and 2 tiny mini shrimp in the rolls. Very dissapointed. [read more](#). With delightful meals, Thai Thani from Seattle delights, enriched with the known spices and (fish-)sauces of the **Thai cuisine** and a bunch of freshly harvested vegetables, seafood and meat, The inventive fusion of different menus with fresh and occasionally daring products is highly valued by the customers - a nice example of Asian Fusion. No matter the occasion - a ceremony - the in-house catering makes it easy to enjoy the food from Thai Thani at home, On the menu there are also several **Asian dishes**.
