The Menu of Jang Su Jang from Santa Clara contains about **47** different menus and drinks. On average, you pay for a dish / drink about \$31.1. What [Erin H](#) likes about Jang Su Jang:

4.5 stars, rounding up. Bulgogi was just okay, kimchi also okay; tofu soup was quite good, prices are reasonable for the area and the banchan is standout enough that we may order again just because of that. Surprisingly hard to find good Korean delivery and their timeliness and nice packaging were upsides too. Fans of Korean cuisine are in the right place here: With Kimchi, the most different versions, preparations of Bibimbap, Bap, you will also find various, exquisite Jjigae that enchant the palate, The delicious sandwiches, small salads and other snacks can be planned well as a snack. *meals are prepared authentically in the Asian style*, The barbecued food is freshly **grilled** here on an open flame.
