What [User](#) likes about Arby's: Food is good but the drinks arrived in a super flimsy drink carrier from the store. The DoorDash driver was able to keep it safe so props to them but once I got it inside, it had toppled over and spilled out. Arby's may want to invest in something similar to Taco Bells drink carrier. [read more](#). What [User](#) doesn't like about Arby's: I ordered a Orange creme shake and I got a vanilla shake. Also missing our medium curly fry. Our root beer float is VERY flat and has barely half the cup of soda. [read more](#).
