Here you can find the [menu](#) of **Osteria Mozza** in Los Angeles. At the moment, there are **24** courses and drinks on the menu. Nestled in a charming locale, this Italian restaurant exudes elegance with its poetic ambiance and high ceilings. Guests rave about the authentic menu, particularly standout dishes like burrata, gnocchi, and the remarkable coconut gelato, though some dishes can be overly salt-heavy. While service shines, especially on special occasions, the experience can be marred by parking challenges and inconsistent offerings. Diners appreciate the small plate concept, allowing for a diverse tasting experience, though the cacio e pepe may overwhelm some with its pepperiness. Overall, it's a pricier destination worth exploring for those eager to enjoy quality Italian cuisine.
