What [Lilian Larson](#) doesn't like about Raw And Juicy: They have moved to brick and mortar and are still a great little place but they were the only vegan restaurant around here and they have quietly added eggs and then milk back into their menu in a short time. So you definitely have to ask. Last time I was there they said yes they are using dairy milk but our milk isn't homogenized". They don't provide non dairy milk for coffee either which most non "vegan" restaurant... [read more](#).
