The place from Houston offers **48** different **meals and drinks on [the card](#)** at an average \$3.1. What [User](#) likes about Freebirds World Burrito Sawyer Heights: this is a great place to get something fast and healthy. it is easy for vegan and non-vegans because there is something for everyone (which is great because I am the only vegan in my house). Typically I get the Burrito shell with rice, extra black bean, salat, limette, garlic, mais and of course guac. bam. [read more](#). Look forward to the *diverse, fine [Mexican](#) cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
