we have always loved eating and service in this cape cod restaurant. Now that I'm vegan, I was afraid I wouldn't be able to eat at the cap. this restaurant is very courteous and prepares the spicy thai aubergine with sweet and no animal products. very tasty! highly recommended if they are on the go [read more](#). You can use the WiFi of the establishment at no extra cost. What [User](#) doesn't like about Bangkok Thai Cuisine:

I can't even give a star. please be away from this place! I found a big hair in my food. I showed it to the waitress and expected an apology. she talked to her manager and instead they gave me the blame. They said they had no blonde in the kitchen. not only this rude and unbelievable behavior, they also forced me to pay the full price! so I had to pay for hairy eating! please if they care what they eat, hygiene and i...
