The restaurant from Oklahoma City offers **63 different meals and drinks on [the menu](#)** at an average price of \$6.3. What [letta mac](#) likes about Taqueria Express: Looks a bit sketchy on the outside but the food was great! Three meat breakfast burrito was very good. Lots of meat, cheese and potatoes. They have a little fresh sides bar that had pico, pickled items, veggies and salsas. Food: 5/5 [read more](#). What [Jason H](#) doesn't like about Taqueria Express: A little pricey for the amount of food you get. I had carne asada tacos and the was way too much fat and gristle. I expected better. Kinda careless to be honest. There are taco trucks that serve better quality of beef. Food: 3/5 [read more](#). Look forward to the *diverse, delicious Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
