I hate to be that person to leave bad reviews but here we go... I will say the food is okay, however the management is horrible. Do not spend your money here, there are many other vegan places in the city. Owner frequently does not pay employees/gaslights them for wanting to be paid on time and would not be surprised if this business does not last much longer due to poor management. [read more](#). Vegan Commissary from Philadelphia is the perfect place if you want to taste delicious **American meals like burgers or barbecue**, The yummy sandwiches, small salads and other snacks can be planned well as a snack. Would you rather enjoy the food at home or on a special occasion like a big birthday party? Thanks to the in-house catering, that's easily possible, Likewise, the customers of the restaurant prefer the comprehensive selection of differing coffee and tea specialities that the establishment provides.
