What [Raquel Olague](#) likes about Jamba Juice:

The staff here are always very friendly and sweet. There have been a few times that I forgot to place my mobile order before heading out or the app wasn't working; they started my order over the phone so I could pay and leave right away with my already-made food. They are awesome and I'm always happy with the service there. [read more](#). The large variety of **coffee and tea specialties** makes a visit to Jamba Juice even more worthwhile, Especially the delicious *juices* are highly appreciated by the visitors. No matter the occasion - a celebration - the in-house catering makes it easy to enjoy the food from Jamba Juice at home.
