these are some of the best predators they can get in the south bay of my opinion after. I ordered the tonkotsu spicy with a spicy egg and was very happy. the personal was friendly and attentive. the service was fast. [read more](#). When the weather conditions is nice you can also be served outside, And into the accessible spaces also come guests with wheelchairs or physiological limitations. What [User](#) doesn't like about Ramen Shack Takumiya: The Ramen was not Hot, this is unacceptable to be served lukewarm ramen. And it was way too salty for my taste. And you should never be charged extra for an egg in your Ramen since this is a basic ingredient in Ramen. And way over priced as well. [read more](#).
