I really like chilling on the deck at Harpoon Louie's with my friends. It is really nice to be able to eat somewhere where all of my friends enjoy going and I can still eat a yummy vegan BBQ sandwich. (there are also multiple vegetarian options such as shepherds pie and more) Harp's is a great place to relax and be with friends. [read more](#). What [User](#) doesn't like about Harps American Pub & grill:

even if the description here contains vegan options when I came by, there was nothing vegan available (not even fraught) updated by previous review on 2021-08-11 updated by previous review on 2021-08-11 [read more](#). At Harps American Pub & grill from Jacksonville it's possible to *savor delicious vegetarian dishes*, that were made without any animal meat or fish, Besides the delicious sandwiches, healthy salads and other snacks also make a good snack. Typically, the burgers of this restaurant are served as highlights along with filling side dishes like fries, leaf and cabbage salads or wedges, There are also scrumptious **South American** menus on the menu.
