I was in the opposite. the cash register was really nice and the restaurant was clean. I ordered the chicken sandwich because it was checked positiv for happy cow; it wasn't disappointed. it was hot, fresh and delicious! I also ordered sweet potatoes, but they were drunk. the kokoskuchen also had great reviews, but it was just ok for me. I would go back if I were in the opposite. updated by previous review on 2022-04... [read more](#). What **User**

doesn't like about Envegan:

3 years ago this place was awesome. Now it's gone downhill in my opinion. They do not have many menu items they used to have. The food wasn't nearly as good as it used to be. Not worth the price at all. I will be finding another vegan restaurant during my stays near Atlanta. They also have more than a couple of violations about how food is stored. Will not be back. Envegan from MORROW is the perfect place if you want to try tasty **American menus like burgers or barbecue**, The delicious sandwiches, healthy salads and other snacks can be planned well as a snack. Typically, the *burgers of this restaurant* are served as highlights along with sides like french fries, leaf and cabbage salads or wedges, They also present scrumptious South American cuisine to you in the menu.
