What [User](#) likes about Teresita's Kitchen: I was pressed for the time and could not immerse, but I was very satisfied with how clean the restaurant was, including the bathroom. the service was very fast. the 2 tacos I ordered were delicious. I ordered a potato/Egg chorizo taco. the tortilla tasted fresh and I love it was roasted. the salsa was also very good! overall very satisfied with my experience! definitely will come again! What [User](#) doesn't like about Teresita's Kitchen: Staff was very nice and helpful. Great layout which was a Links style course. Greens are the most important thing for me when playing and were in good shape, rolled true but somewhat slow. Fairways were in great shape as well but off the fairways and sand traps were spotty at best. Overall worth the price at their Twilight rate and would have gotten 4 stars if not for the bunkers. Will play again. [read more](#).
