The restaurant from Philadelphia offers 154 different menus and drinks on the menu at an average \$29.6. What [User](#) likes about Infusion Lounge: that was my first time to take part in such a place. I liked the atmosphere because the music was soft and not full of bass. the drinks were good, but I think if. [read more](#). What [User](#) doesn't like about Infusion Lounge: we bought a groupon for the night. we were told, however, that the voucher would not be honored because it was over 8 o'clock. only the problem is that it does not specify a deadline in the fine print of this particular coupon. we felt honestly as if the credit card had not been honoured, only because the owner did not want to take it to the time, which would have better explained us in the future. it is a beautiful... [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only tasty meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, The **meat** is freshly prepared here on an open flame. In addition, you can indulge your palate with various delicious dishes from the *Turkish cuisine*, such as chicken [kebab](#) or a spicy lentil or bulgur salad, the place offers but also **meals from the European context**.
