eating is amazing, I had a menu and it is by far the best menu I had in Utah. very authentic [Mexican](#) cuisine, my man had a pambazo it was like eating from Mexico. that was it! [read more](#). What [User](#) doesn't like about La Fondita D.f.:
it takes at least 2 hours to operate. it is not about the personal shortage, I saw that at least 4 tables were served and paid before they served my table. I understand that it is a family business, but they should understand that family and friends should not be served first, as customers above all it is a long waiting period. they should be professional and understanding.
