If you're desiring some hot South American gastronomy, you're in the right place: delightful dishes, prepared with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are on the menu, Especially tasty juices are very popular among the customers. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like fries, salads or wedges, and you have the opportunity to try fine American dishes like *Burger or Barbecue*.
