We really enjoyed the food here. We are vegan and there are good choices for vegan and vegetarian. The food was flavorful and delicious. Clean and modern dining room. I recommend for anyone who enjoys asian food. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is complimentary WLAN. What [stinglin09](#) doesn't like about Thai House Bistro:

Twice I have eaten here and twice I have been thoroughly disappointed. The service is weird. It seems like customers are a major inconvenience to the employees. The food is subpar. I found a literal bone in the chicken fried rice I ordered. [read more](#). Admirable is this small yet fine **Bistro**, not only for its ambiance, but also for its range of typical, delicate dishes usually at reasonable prices, on the menu there are also a lot of Asian menus.

Of course, we must not forget the comprehensive selection of *coffee and tea specialties* in this restaurant, Besides, the creative blend of different dishes with new and partially adventurous products is appreciated by the customers - a good case of Asian Fusion.
