What [User](#) likes about Taste Of China:

this restaurant is my first choice. from all restaurants I know that I prefer it most. I always pretend to go to this place. Whenever I need a great food, this place comes first in my head. very good and eat and a rich menu. generous staff and more friendly. also important is the tariff decent. I suggest this point without doubt. [read more.](#)

What [User](#) doesn't like about Taste Of China:

Eat is good, but I ordered a huh brokkoli for \$7, a few days later I decided to submit an order for delivery and they say that the huhn broccoli is \$7.10, as what? also their prices on the menu are not updated what they calculate, so I recommend the price of food they will order before they tell them what they want. [read more.](#) The Taste Of China originating from Brooklyn offers various *tasty seafood menus*, On the daily specials there are also several **Asian dishes**. Even the versatile, scrumptious Chinese cuisine is very popular among visitors, Besides, the creative blend of different meals with new and sometimes adventurous products is appreciated by the guests - a beautiful case of Asian Fusion.
