What [Orange X](#) likes about House Of Tokyo:

Sat at the [sushi](#) bar section and it was a great experience. Watching the cooks prepare so many rolls and sushi was awesome to look at. I just ordered my tuna [sushi](#) and presentation was great but the taste was just wonderful. Tuna was buttery and fishy in a pleasant way and the hint of wasabi was not my fav but still delicious .

Quick and easy sushi. Sushi quality is average. Experience slightly above average with floating sushi. Sushi travels in front of you on boats. Grab what looks good. Pay by the plate. They do have other choices of food(never tried). [read more](#). For you, House Of Tokyo from Saint Charles prepares tasty sushi (e.g., Nigiri and Inside-Out), in numerous additional versions, with fresh ingredients like fish, vegetables and meat, You can also unwind at the bar with a [cool beer](#) or other alcoholic and non-alcoholic drinks. It goes without saying that a suitable drink completes a meal; therefore this *gastropub* provides a diverse selection of fine and local alcoholic options, be it beer or wine.
