What [User](#) likes about Sushi Koi:

I want more [Sushi](#) Koi!!! ??? Took my son for his bday on Friday, and had an amazing experience! We ordered the pepper tuna nachos, yellowtail jalapeño, udon noodle soup, lion king roll... my son's and I gobbled it up! Full portions, flavors were amazing and our waitress was the sweetest! She gave excellent service and great recommendations for new food experiences! ?? We're definitely going back! ??? [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [User](#)

doesn't like about Sushi Koi:

Wasn't impressed at all with the lunch. The waitress was nice enough and gave me a sample so I could taste their tonkotsu brute. It's powder with decent flavor, don't expect anything amazing from their rams. It's definitely not traditional and the chashu pork wasn't sliced, it was braised chunks. The sushi rolls were small, bland, and overall unremarkable. [read more](#). Sushi Koi from Houston creates for you **fine sushi** (e.g., **Maki and Te-Maki**), in addition to many other variations, always fresh with ingredients like fish, vegetables and meat, and *healthy Japanese meals* are being made with lots of fresh vegetables, fish and meat.
