The pizza is decent here, nothing flashy, friendly staff and they charge a fair price. I notice that the amount of pizzeria toppings changes based on who makes them. What [User](#) doesn't like about Prospero's Pizza:

Tried this place cause they had good ratings. It was the WORST food I have had in a long time. The pizza was tasteless. The boneless wings were gross, tasted like cheap veiny chicken. The cannolis taste like they were old and taste was rancid. Sorry but for the price it should be good [read more](#).
