borreguitas is a very interesting (at this time, only due to Kovid protocols) restaurant with homemade [Mexican](#) food. completely [vegetarian](#), strongly dressed in vegan in most, and 95% of the items can be ordered gluten-free as well as how they have gf tortillas in both burritos and taco sizes. I had the vegan burrito that was very tasteful - the beans are casual but tasty; the rice is very tasteful. my child had the p... [read more](#). The restaurant offers free WiFi for its guests, Depending on the weather, you can also sit outside and be served. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physiological disabilities. What

[Rayan Ross](#) doesn't like about Borreguitas:

The food was ok nothing special, the meat choice was good had a little sweetness to it. The burrito was huge But there wasn't much rice and beans that came with the tacos. Their standards went down they don't serve your food on a an actual plate. The seasonal Agua Fresca was not too sweet and had a perfect natural taste to it.

There was Flies in the restaurant too but thats how you know it's authentic. [read more](#). You can at Borreguitas from Pomona enjoy delicious [vegetarian](#) menus, in which no animal meat or fish was brought into play, Likewise, the visitors of the restaurant prefer the large variety of differing [coffee and tea specialities](#) that the establishment provides. If you decide to come for breakfast, you are offered a **versatile brunch**, and you can indulge in delicious American meals like Burger or Barbecue.
