What [Kevin Wilson](#) likes about St. Anselm: St. Anselm never disappoints! You can't go wrong with anything on the menu. Plus, the staff are all so kind, attentive, and knowledgeable. They're usually pretty busy, so even with a reservation, you may still end up needing to wait a little bit (totally worth it). They'll suggest you go to the bar next door to grab a drink (cute little bar with backyard area and great selection of beer and wine), and they'll come gr... [read more](#). When the weather conditions is nice you can also eat outside, And into the accessible spaces also come clientele with wheelchairs or physiological limitations. If you want to have a drink after work and sit with friends or alone, St. Anselm from Brooklyn is a good bar, Here, the **barbecue** is freshly cooked on an open flame. Watching various sports events and competitions is equally one of the highlights of visiting this *sports bar*, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try.
