In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, Likewise, the customers of the establishment prefer the comprehensive variety of differing **coffee and tea specialities** that the restaurant provides. In addition to small snacks, sweet pieces and cakes, we also serve cold and hot drinks, Furthermore, the **sugar-sweet treats** of this restaurant sparkle not only on children's plates and in children's eyes.
