I and my family came to eat breakfast / lunch and let me tell you... the food here is not delicious or good. The food was evil and bad! I came here for the reviews, but very misleading. So don't waste your money and time. The service was not good either! I don't recommend it! [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), The tasty desserts of the restaurant also shine not only on children's plates and in children's eyes. Furthermore, you can order fresh grilled barbecue, Moreover, the drinks menu of this gastropub offers a good and especially comprehensive selection of beers from the region and the world that are definitely worth a try.
