I had 6-8 different things/entrees! Everything was excellent, including desert!! I would definitely go back and I would certainly recommend this place! The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and eat. With *typical Asian spices fine* traditional dishes are prepared in the kitchen of Yakko San in Miami, and a lot of fresh vegetables, fish and meat are used to prepare **easily digestible Japanese meals**. You can still relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, tasty particularly are the Sashimi and delicacies like Sashimi that this restaurant is known for.
