What [User](#) likes about El Cid: i luv this place so mch the gogo dancers have a special place in my heart loved the music too beware tho as soon as u come in there is a man jus spread eagle and then the bathrooms r revolting but yknow its a bar so and then yeah great atmosphere n good ppl :D [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, and there is complimentary WLAN. What [User](#) doesn't like about El Cid: Honestly I would have gave this bar five stars however there are rats that openly jump around on the trees that cover over the patio so I have to take off some points for that but the vibe otherwise is super dope [read more](#). The El Cid from Los Angeles serves meals that you can find all over Europe, the guests love the Spanish meals with their spicy sweet and spicy sauces and spices. It goes without saying that a suitable drink completes a meal; therefore this gastropub serves a generous variety of tasty and regional alcoholic options, be it beer or wine, The fine **sandwiches**, small salads and other snacks can be planned well as a snack.
