Service is always friendly although they sometimes don't speak much English. The food is great for a good price, like the biryani and curries. The naan and pakora is also good although I prefer to just have rice. [read more](#). As a guest, you can use the WLAN of the establishment free of charge. What [Arshad Khan](#) doesn't like about Biryani Bowl (Indian Restaurant):

Update: After recent change in management/ ownership, the food quality has gone bad. I don't think I will be going there again. Earlier the different spice levels were mild, medium and spicy. Now they are Spicy, Super Spicy, Super Duper Spicy. The fried rice were either undercooked or stale. Hard to find chicken in chicken fried rice and noodles. [read more](#). For guests of the restaurant, the *catering service* is also available, Furthermore, the guests love the inventive combination of different meals with new and partially experimental products - a nice example of successful **Asian Fusion**. Visitors also appreciate the utilization of original Indian spices, On the daily specials there are also several Asian menus.
