What [Пердебек Кыдыр](#) likes about The Beacon Restaurant.: do they understand before they go here that this place is a dive, okay? it is not nice, but it is an Oxford tradition, opened since 1959! and the tables and decoration have not changed since then! I'm going to the breakfast occasionally. nothing nice. coffee, eggs, speck, pancakes, spicy. locals will be there as well as students. the waitress could sit on the table with them while they order. if they have pleasure, t... [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. The Beacon Restaurant. from Oxford is popular for its exquisite burgers, to which **delicious fries, salads and other sides** are offered, You'll find nice South American meals also in the menu. The atmosphere of the original American diner creates a unique encounter, Likewise, the guests of the restaurant prefer the comprehensive variety of various coffee and tea specialities that the restaurant provides.
