What [Ed W](#) likes about Fat Harry's:

One of the best burgers in New Orleans! Great selection of beers, too. If you're looking for atmosphere, this ain't the place. But tie burgers AND the fries are fabulous! [read more](#). The restaurant also offers the possibility to sit outside and eat in nice weather, and there is no-charge WiFi. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physiological disabilities. What [Kendall C](#) doesn't like about Fat Harry's: The fry cook has a terrible attitude towards customers. And the bartenders will literally overcharge if they can get away with it. Worst experience I've ever had. [read more](#). If you're hungry some **hot South American gastronomy**, you're in the right place: exquisite menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu. Also, the drinks menu at this place is exceptional and offers a significant and comprehensive selection of both local and international beers, which are definitely worth a try. Following various sports events and competitions is equally one of the pluses of visiting this [sports bar](#). You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
