A comprehensive [menu](#) of Sake Restaurant from Springfield covering all 22 courses and drinks can be found here on the menu. The restaurant offers good quality food with fresh ingredients that are tasty, but the prices may be considered high for the area. Lunch specials are available on weekdays until 3 pm, but overall prices can range from \$30-50+ per person before drinks or appetizers. The service is attentive, though the restaurant was not busy during the visit. A party of 4 had a negative experience with rude behavior from the manager and felt rushed. Another nearby restaurant is recommended for better food quality, portion sizes, and value for money. On the positive side, the restaurant is considered a good option for a light lunch with vegan options and often runs specials such as 50% off sushi during the week. For a more high-end dining experience, dishes like Veggie Tempura Appetizer and Sashimi are recommended with a rating of 5 for both food and service.
