My husband and I were craving [sushi](#) today, and Kenko-Ya did not disappoint! We had three rolls, the sunshine roll, the spicy tuna roll, and the spicy California roll. You also get a free appetizer of bean sprouts and edamame which was a nice starter. Not only was the food phenomenal, but the staff was super friendly. Definitely recommend this place if you need a sushi fix. [read more](#). Traditional meals are prepared in the kitchen of Kenko-Ya in [Kaneohe](#) with typical **Asian spices fine**. Besides, the creative blend of different dishes with new and sometimes adventurous ingredients is appreciated by the customers - a good case of Asian Fusion. Kenko-Ya focuses on a lot of fresh vegetables, fish and meat in its *healthy Japanese cuisine*, and you can look forward to the fine typical [seafood](#) cuisine.
