What [Saul Nunez Jr](#) likes about Dragon Express:

Very very very small place, no tables or chairs, straight to the point delivery or take out. BEST FOOD EVER! The food is amazing and made fresh when ordered. The portions are of a very acceptable size. Price is a little high for some of the orders, for example an order of Low Mein, but at least the food is worth it. Chicken wings here with mambo sauce, perfect! Love this place! [read more](#).
