Good food, good prices, great staff and service. Definitely a place worth checking out. I got 3 chicken tacos stuffed with a generous amount of pulled chicken. Add in lettuce, cheese, and all toppings, great meal. Rice and beans if you want or eat by themselves. Appetizers and desserts galore! [read more](#). What [Nyasia Hills](#) doesn't like about Casa Del Rio Mexican Restaurant:

Staff was wonderful and the food was okay. No cheese, no sour cream, no guacamole and had it pay extra for the corn tortillas on a fajita. It was already more expensive than most restaurants and then have to pay extra for what should come with a fajita. We paid over\$30.00 and had no drinks. They also have no senior discounts. We will not return. [read more](#). It's certainly always an experience to be in a **typical saloon** and to eat; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a hearty burger, Particularly, many visitors are looking forward to the diverse, delectable Mexican cuisine. Of course, there's also crisply crunchy [pizza](#), baked straight from the oven according to original recipes.
