A **comprehensive [menu](#) of Mormon Lake Lodge** from Mormon Lake covering all **14** dishes and drinks can be found here on the card. The restaurant has received mixed reviews from customers, with some expressing disappointment in the overall experience. Complaints range from high prices and lack of customers leading to closure of other businesses on the property, to dirty and poorly-maintained cabins with issues such as non-functioning amenities and cleanliness concerns. However, positive feedback was also given for the friendly staff, particularly for a bartender and waiter named Dave who provided exceptional service. Despite the ups and downs, the restaurant's location is highlighted as a great place to visit, with the added bonus of having the Zane Grey museum on site for an enjoyable and educational experience.
