What User likes about Smashburger: hamburger are great and hot. been to this location 4 times in the last 4 years and every time my experience was great. the customer service is okay. the only thing this place lacks is the beat of an atmosphere. [read more](#). What User doesn't like about Smashburger:

do not come here if they expect a friendly customer service. said ketan or whatever their name is that we wanted to eat barely would take our order and tried to argue with me and my technician that we did not order meals. her attitude is as annoying as her personality 10/10 highly recommend not this place that is worth going anywhere as to deal with lying hired? [read more](#). Smashburger from Raleigh is respected for its delicious burgers, to which appetizing fries, salads and other sides are provided, and you can try fine American meals like **Burger or Barbecue**. fresh fish, meat, as well as corn and rice are also South American grilled here, Generally, the dishes are prepared **in the shortest time and fresh** for you.
