This place is fun, with its decor and theme. Service was super kind and friendly! We really enjoyed the food, especially the Narwhal Balls! We thought the drinks were just okay, but are up to go back and try again. We did go a bit early in the evening and assume it's probably more of a scene later at night. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. What [User](#) doesn't like about Unicorn:

It was crowded and had an eclectic group of people so people watching is fun! Limited seating and drinks are pretty sweet but it is a cool and different atmosphere. No cover (Saturday night) and drinks are affordable (\$12 each). Takes a bit of time to order drinks. Had some arcade style games on the bottom floor. Interesting and fun decor! [read more](#).
