Our favorite restaurant!! Loves the owners, employees and food! All right! There is no opener or microwave! Everything from scratch daily! Very generous portions and great prices!! [read more](#). It's certainly always an event to be in a typical saloon and to taste; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a delicious burger, the menu also includes delicious vegetarian meals. Among the customers, the versatile, scrumptious Mexican cuisine is also popular, in which mainly corn, beans and hot peppers are used.
