I love their new menu! A lot of variety including lighter options which are great if you aren't going home right after to put sweatpants on and don't want to feel months pregnant read more. What User doesn't like about Permanently Closed Bold Food Drink:
Food was great. Menu was quite a bit different than we remembered, but was still very good. My only complaint would be where we were seated. The restaurant was pretty empty (6:30 Saturday evening) and we were crammed between two other couples against the back wall. I'm aware there were only two of us, but the three couples could've been spaced out a bit differently. All in all, nice night out read more. Permanently Closed Bold Food Drink from Cleveland is a suitable bar to a drink after work, and sit with friends or alone, You'll find scrumptious **South American** cuisine also on the menu. In addition, there are fine American menus, such as **burgers and grilled meat**, the menu also includes tasty vegetarian recipes.
