Kissho is my personal favorite place for <u>sushi</u>. They are super nice and are all long-term employees who will remember you. It is a very nice restaurant with a beautiful, welcoming atmosphere. A few of my fav items are the sweet potato roll, picked radish roll, asparagus roll and salad with ginger dressing. Inform the staff of nutritional requirements and you can point in the right direction what to order. It is BYOB,... <u>read more</u>. The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible rooms also come guests with wheelchairs or physiological disabilities. What <u>Rich Wagman</u> doesn't like about Kissho Japanese:

Service is extremely slow. Had others come in after us and waited on, served, ate, pay the bill and leave while we still didn't receive any food. I approach waitresses twice with response of yours is next but they continued to finish other orders first. After 1 hr 15 min we left without ever being served. I will never go back Service: Dine in Meal type: Dinner Food: 1 Service: 1 Atmosphere: 1 read more. For those who want to a beer after work and sit with friends or alone, Kissho Japanese from York is a good bar, Besides, the successful blend of different dishes with new and partially adventurous products is appreciated by the guests - a beautiful case of Asian Fusion. Kissho Japanese focuses on a lot of fresh vegetables, fish and meat in its easily digestible Japanese cuisine, On the daily specials there are also several Asian menus.
