If you're hungry some **hot South American gastronomy**, you're in the right place: delightful menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, The **barbecued food** is freshly grilled here on an open flame. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like french fries, leaf and cabbage salads or wedges, and you have the opportunity to try tasty American meals like Burger or Barbecue.
