[User](#) doesn't like about Topaz:

the first time at topaz. reviews online very good. reservations that are actually required as spot is very popular.

we had excellent service from our server, but we gave 3 stars for service because they did not have enough server. our server really did everything. that said he was great when we had access to him. it only took a long time between interactions. many business dinners go around us. the food was very nice...
